Subject: Notice of COVID-19 to Staff, Students and Visitors in Calgary Islamic School – Akram Jomaa Campus

The health and wellness of our staff and community remains a top priority for Palliser School Division. Proactively, we share that Public Health staff are investigating a case of COVID-19 in an individual attending Calgary Islamic School – Akram Jomaa Campus. This means that a person would need to have direct contact with droplets from a sick person or surfaces that they have recently touched. The risk of the general population in the school becoming infected because of these cases is low. We are working closely with Alberta Health Services to ensure necessary measures are in place to protect all students.

Alberta Health Services will be contacting parents/guardians of students, as well as any staff/visitors/volunteers who may have been in close contact with the individual.

We remind parents/guardians of students, as well as any staff/visitors/volunteers to monitor for any signs or symptoms of COVID-19. The Alberta Health daily checklist can be found [here](#). Please remember to complete the checklist each day prior to attending school.

As a reminder, if you/your child has any of the symptoms of illness listed on the Alberta Health daily checklist, please fill out the online [Alberta Health Services COVID-19 self-assessment](#) or call Health Link at 811 and stay home/keep your child at home.

Please rest assured that we will continue to work closely with Alberta Health Services and the Medical Officer of Health to ensure that we follow their ongoing recommendations. Thank you for your continued support to our colleagues, students and community. Please do not hesitate to reach out with any questions you may have.

Sincerely,

Ramy Elhamalawy

Calgary Islamic School
Principal
