**Re: Alert - Positive COVID-19 Case**

Dear Parents/Guardians

Since June, our division has been working diligently on a plan for the potential of a case of COVID-19 in our schools. We are writing to inform you that an individual from Ecole Camille J. Lerouge School has tested positive for COVID-19.

We have called all parents/guardians of students and staff who have been in close contact with the individual who has COVID-19. If you **have not** been contacted, your child has not had a close contact with this individual and therefore, is not at an increased risk from COVID-19. We look forward to seeing them tomorrow. Please note that our division will follow the [Freedom of Information and Protection of Privacy](#) where information regarding specific individuals will not be made public.

As part of our advanced planning, we were prepared to respond to this situation. Our school remains open to in-person learning and we are working closely with Alberta Health Services to ensure necessary measures are in place to protect all students and staff. This includes cleaning and disinfecting all high touch surface areas in the schools. Our maintenance/custodial team have already enacted all cleaning protocols as directed by Alberta Environmental Public Health.

We are grateful for the individual informing us, as the information assists us in taking swift measures to protect the health and safety of the entire school community and to mitigate the spread of the virus.

We remind parents/guardians to monitor their children for any signs or symptoms of COVID-19. The Alberta Health daily checklist can be found [here](#). Please remember to complete the checklist each day prior to attending school and/or getting on the school bus. As a reminder, if you/your child has any of the symptoms of illness listed on the Alberta Health daily checklist, please fill out the online [Alberta Health Services COVID-19 self-assessment](#) or call Health Link at 811 and stay home/keep your child at home.

While this is a challenging time, we continue to trust in the Lord with all our heart, leaning on each other for support and companionship. We are in this together and will be sending updates to families as information becomes available.

Thank you for your continued support and understanding. God bless,
