September 9, 2020

Dear Parents and Guardians,

A student at our school was diagnosed with COVID-19. We are praying for the student and their family during this time and wish them a quick recovery.

To ensure everyone's health and safety—which remains our top priority—we are working directly with Alberta Health Services (AHS) and the public health inspector to ensure all spaces in our school are thoroughly cleaned and any additional steps taken. At this time, our school will remain open and we will continue to work directly with and follow the recommendations of AHS, Alberta Education and the Calgary Emergency Management Agency.

In the coming days, AHS will determine where the student got the virus and who they were in contact with; they may speak with your family as part of this process.

To help protect the wellbeing of our students and staff, please keep your child home if they experience any COVID-19 symptoms (sore throat, runny nose, cough or fever) or have been out of the country in the last 14 days. Please let the school know that your child is home because of COVID-19 and take the [self-assessment](#) to determine if you or any member of your family need to be tested.

Thank you for playing a part in keeping our school community safe. If you have questions, please call the school at 403-500-2071.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Mary Laviolette', is written in a cursive style.

Mary Laviolette
Principal
St. Rose of Lima
