

St. Edmund Elementary/Jr High School

November 6, 2020

Dear St. Edmund Parents & Guardians,

I wish to inform you that an additional positive case of COVID-19 has been confirmed in a cohort that is already isolating in our school community.

Out of respect to this individual and in accordance with AHS guidelines, we cannot disclose personal details. However, we are able to share that we learned of this confirmed COVID-19 case on Friday, November 6 and the individual is isolating at home. We understand that the individual last had contact with students and/or staff from our school on Friday, October 30 and physical distancing, proper use of PPE, proper hand hygiene and school protocols were consistently maintained.

Our schools have undertaken exceptional steps to help mitigate the risks of COVID-19 transmission for the safety of students and staff. We continue to remind families to monitor for any signs or symptoms of COVID-19 using the [Daily Health Screening Questionnaire](#) available on our website. Please remember to complete the checklist each day prior to attending school. If you or a member of your family has any of the symptoms of illness listed, please fill out the online [Alberta Health Services COVID-19 Self-Assessment](#) or call Health Link at 811.

Thank you for your continued partnership in helping us mitigate risk for our students and staff. The health and safety of our students and staff remains our first priority, and we are confident in the measures we have in place. Please do not hesitate to reach out with any questions you may have. Thank you for your continued support.

Sincerely,

F. Runco

Fernando Runco
Principal, St. Edmund
