Live, Learn, Lead

Friday, October 9th, 2020

Dear parents, guardians and families,

Today, Friday, October 9th, 2020 Alberta Health Services let us know that an individual from our school has tested positive with COVID-19. We are working closely with Alberta Health Services to ensure necessary measures are in place to protect all students and staff. For privacy reasons, we will not be sharing more information about the individual.

AHS has advised us that ten students and seven staff members need to self-isolate and monitor for symptoms. If your child was required to isolate, you would have received a call from the school.

Screening for illness is an essential part of our Division's safety strategies to slow the spread of COVID-19. **Do not send your child to school** if they are sick or if you answered yes to any of the questions on the [Alberta Health Daily Checklist](#). This checklist needs to be completed at home daily. If your child has symptoms, you need to complete the [COVID-19 self-assessment for Albertans](#) and keep your child at home.

We will continue to provide additional information to families as it is available. For questions about COVID-19, call 811 or visit alberta.ca/covid19. If you have any other questions, please don't hesitate to contact the school.

Sincerely,

S. Holmes, Principal
